Dedication

We, the graduating class of nineteen hundred and seventy-one, of Grover Hill High School, with much gratitude, do dedicate our yearbook to our parents.

Through the guidance of our parents, accented by their optimistic hopes and plans for our future, we, the Seniors of 1971, will be bet-

ter prepared to face the world of challenges which await us as the leaders of tomorrow.

Though many times concealed, within each of us lies a deep appreciation for not only the many hardships endured together, but also for the precious moments of joy shared.
